

Sniff-n-Go

Hosted by San Mateo Dog Training Club

Sunday July 27, 2025

Take your scent work training “on the road” and practice in a novel, trial-like environment.

Have a novice dog? Just starting to trial, or thinking about it? Want to practice scentwork away from home? This Sniff-n-Go is for you!

Search Info:

- Each team will run three searches: two interior and one container.
- The search parameters will be similar to AKC Scentwork searches
 - Novice searches will be single hide, birch only
 - Advanced searches will be 2 hides, birch and anise
- The searches will be in a dog training building so handlers should expect environmental distractions.
- Advanced searches will have 1 intentional non-food distraction
